

# NEW PRODUCT LINE UP

Master Distribution Services is pleased to announce our partnership.

## COMMERCIAL INSECT CONTROL

### Genus® | COBRA

Using patented Translucent Technology™, Genus® Cobra produces faster flying insect catch when compared against other non-translucent fly traps of a similar power.

**Product:**  
Genus® Cobra™ Translucent 3 x 15w lamp standard

BRG-107001-00 Insect Light Trap Catcher - Cobra Translucent Sleeved Lamp 3x15w

### Genus® | ECLIPSE ULTRA

A new and innovative insect light trap for public sensitive areas. Fastest fly catch compared to most other front of house units, with a customizable front insert for brand and promotional messaging.

**Product:**  
Eclipse Ultra translucent black light lamps

BRG-105400-00 Insect Light Trap Catcher - Eclipse Ultra Translucent Front Of House Standard Black Light Lamp 2x15w  
BRG-105300-00 Insect Light Trap Catcher - Eclipse Ultra Translucent Front Of House Standard Black Light Blue Lamp 2x15w
